

## My Basket--Requesting POPLINE Documents

Users in **low- and middle-income countries** can use the POPLINE My Basket to simplify ordering full-text POPLINE documents. This feature allows those users to make a preliminary selection of documents, which can be viewed and edited before submitting a final request. The My Basket icon appears at the far right end of the main POPLINE navigation bar.

When you add an item to My Basket, it will be saved there until you're ready to submit your request. Once you have added 1 or more documents to My Basket, you can open your basket to view and edit your selection.

### Follow these steps to add records to My Basket:

1. If you have not already done so, [sign in](#) with your username and password. **You must sign in or create an account on POPLINE to use this feature.**
2. Perform a search from either the Basic Search on the [Home](#) page or from the [Advanced Search](#) page.
3. On the Search Results page, click the **Add to Basket** button under any of the short records in the results list. If you do not see the **Add to Basket** icon, it is because your POPLINE account profile indicates that you are located in a developed country.

4. The record will be saved to My Basket.

### Follow these steps to view and request items in My Basket:

1. [Sign in](#) to your My POPLINE account.
2. To view all the items in My Basket, click on the My Basket icon at the far right end of the main POPLINE navigation bar.
3. My Basket displays a list containing the document title and link to remove the item from My Basket.

## My Basket

POPLINE is funded to provide free full-text copies of documents cited in its database to individuals and organizations in **low- and middle-income countries only**. Please limit your request to 15 documents or fewer.
